

Tests and Measurements in the Hedberg Reference Section

The following works, which contain directories, indexes, reviews, and sources of tests, are available for your use in the Fess Information Commons. Other works, including principles, theories, and discussions of testing, are in the general collection and can be located through the Hedberg catalog. A good keyword search statement would be

test* or measure* or assess*
combined with either location = **reference** or location = **general collection**, as desired.
