

Get financial support during a serious illness

Enrolling in a UnitedHealthcare Critical Illness Protection Plan helps give you and your family more financial security if you or a covered family member is diagnosed with a covered illness.

How the plan works

The Critical Illness Protection Plan sends a lump-sum payment directly to you after diagnosis of a covered condition.

The money is yours to use however you want, including paying for:

- Out-of-pocket health plan costs (deductibles, coinsurance, etc.)
- Mortgage or rent
- Groceries
- Prescriptions
- Treatment by a specialist
- Transportation to and from treatment

Many working adults are not prepared for high, unexpected medical costs

Over 65% of Americans have less than \$1,000 in savings¹
