Adjunct faculty are instructors who are employed temporarily to teach specific college courses.

At the end, it's not about what you have or even what you 've accomplished. It's about what you've done with those accomplishments. It's about who you've lifted up, who you've made better, It's about what you've given back.

Denzel Washington, Actor/Director

Black/African-American Directory

Staff is a term used for a group of people who have different educational backgrounds and are employed by the institution for other jobs.

"One of the lessons that I grew up with was to always stay true to yourself and never let what somebody else says distract you from your goals. And so when I hear about negative and false attacks, I really don't invest any energy in them, because I know who I am."
Michelle Obama, Former First Lady of the United States

*"I want you to take the craziest dream you every had.
That dream that you're too embarrassed to tell
anyone about. I want you to go after it.
I want you to make it a reality. I don't want you to
dream it, I want you to do it."*

P.Diddy, Rapper/Producer /Business Mogul
