

Moon Shot for Equity Monthly Newsletter

August 2021

What We Are Doing This Month

Moon Shot Best Practice Teams are executing their practices. This Fall, teams are engaging in focus groups and a campus climate survey to understand campus need and prioritize next steps accordingly.

In order to foster collaborative learning across the region, teams are now engaged in cross institutional team meetings. Attendees of the meetings report out on team strategy, barriers and updates. Best Practice Team Leaders also share advice with one another and the impact of their work on other best practice teams.

In addition to task force execution, The Milwaukee Region has launched Equity Mindedness professional development.

Equity Mindedness eConvening Series

As part of the Moon Shot for Equity partnership, Milwaukee Moon Shot Institutions will engage in a racial equity eConvening Series. This series will be hosted by the USC Race and Equity Center. Each campus will appoint stakeholder(s) to attend live sessions. For More information about USC Race and Equity Center click [here](#).

Recovering from Racial Inequities Produced and Exacerbated by COVID-19

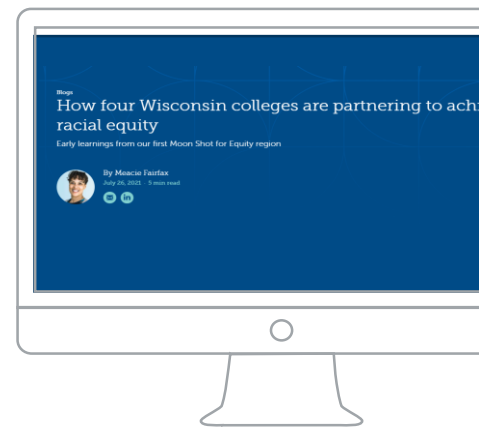

Wednesday, August 18th, 11am-2pm CST

Registration links will be sent out to select stakeholders in advance of each session.

Collaborative Connections for August

Get the Most Out of Navigate and Your Student Success Practice

Each month EAB hosts a variety of opportunities for our Navigate partners to connect with us and with each other to discuss student success best practices, product strategies, product updates, and so much more. Register now to save your seat! Most webinars will be recorded and available on demand. Office hours and product release webinars are not recorded. EAB is committed to making our events accessible to all attendees. If you have specific accessibility needs, please email StudentSuccessPartnerSuccess@eab.com one week prior to the event to ensure those are enabled.

Making the Most of Your Intake Survey

As students return to campus, many institutions deploy intake surveys to better understand their students' needs. Are you asking the right questions the right way? Do you have a strategy to follow up and support students throughout the term based on what they share? Join us on August 3 to explore how to make the most of your intake survey design and data to provide thoughtful, student-centered support throughout the term.

Suggested Audience:

Executive Sponsors, Program Owners, Value Leads, App & Content Administrators

Tuesday, August 3

12:00 pm – 1:00 pm ET

Navigate Public School Summer Series: Making the Most of Self-Alerts and Using Caseloads to Improve Student Success

Featuring Public School Partners but Open to ALL Institution Types

In this double-feature and final installment in our Public School Summer Series, leaders from Sam Houston State University will share how they created a self-alert process for students to seek out support and broke down silos to better serve their students. Then, leaders from CSU-Los Angeles will discuss their move to a new caseload model and what they've learned from implementing this change.

Suggested Audience:

Executive Sponsors, Program Owners, Value Leads, App & Content Administrators

Tuesday, August 10 – Survey Q&A

2:00 pm – 3:00 pm ET

Best Practice Team Updates

Informing the Campus Community about the Moon Shot Practice Teams

As part of the Moon Shot for Equity, your colleagues have chosen four best practice teams (see below) to focus the region’s initial work. EAB’s Moon Shot team will assist each best practice team with evidence-based strategies, project management tools, and frameworks to implement practices equitably. We welcome volunteers to serve on these task forces to help us promote equity in student persistence and completion.

	Practice in Brief	Updates
Hold Reform Team	<ul style="list-style-type: none"> Audit procedural inequities that prevent students from registering, set interventions pathways and communicate a research-based action plan 	<ul style="list-style-type: none"> All institutions have conducted a hold audit to understand what impacts students from registering for class. Teams have raised financial aid thresholds and removed holds related to student engagement from offices such as: library, police dpt, student affairs, cashier's office
Retention Grants Team	<ul style="list-style-type: none"> Determine funding and distribution process for students in need of emergency or retention grants to assist with degree completion 	<ul style="list-style-type: none"> Teams are meeting with Heerf funding experts to understand strategy for distribution. Looking into debt collection practices. Teams are creating the SQL report GSU uses to understand student need for Panther Retention Grants.
Holistic Care Team	<ul style="list-style-type: none"> Guide student navigation and reduce attrition by using population health modelling and analytics to serve students equitably 	<ul style="list-style-type: none"> All MS Institutions are live with Navigate! Teams are starting to think of shared campaigns for regional impact. Embedding updated processes in tech, from other best practice teams and training new stakeholders
Transfer Pathways Team	<ul style="list-style-type: none"> Design academic pathways aligned across the region for the following pathways: Nursing, Information technology, Health science/Public Health, General Business, and Education 	<ul style="list-style-type: none"> Teams are conducting Process Mapping to Understand Transfer Student Experience Between Moon Shot Institutions Teams are rethinking the approach of credit articulation to map to outcomes and skills instead of courses.

Stay Connected!

Logging in to EAB.com

Create an account to register for live and on-demand virtual engagement opportunities, best practice student success research and the latest from EAB!

Step 1

Go to our website, www.eab.com.

Step 2

On the top right of the homepage, click the "Log In" button, then select "Create an Account".

Step 3

On the registration page, you will be prompted to enter your institutional email (e.g., your .edu email address), your institution's country, city, state, and zip code. Once you've input this information, select your institution from the organization drop down list and click on the button that says "Go to Step 2".

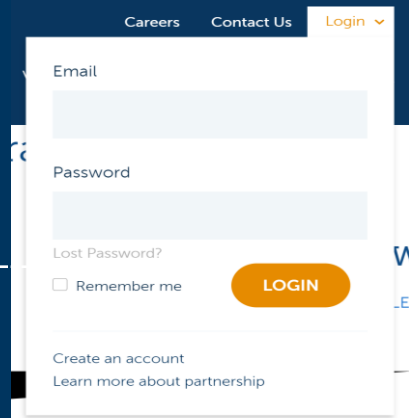

NOTE: If your institution does not appear in the drop-down list, send an email to eabhelp@eab.com for assistance.

Step 4

Check your .edu email inbox (including junk and/or spam folders) for an email from EAB.com to verify your email address and create a password for your account. If you haven't received an email after several minutes, email eabhelp@eab.com for assistance.

Step 5

Add Events@eab.com to your contacts (or ask your IT department) to make sure you receive all event registration confirmations and calendar holds.
