

3/23/2021 CRRSAA Round 1 initial email to students

Hello {{First Name}},

I wanted to reach out to you to let you know that the institution was able to secure additional grant funds for you in the Spring 2021 semester. After individual review of your account it was determined that you could benefit from additional grant money made possible by the CRRSAA funds. These funds are grant funds and will not need to be paid back in any way. The institution will be connecting students with CRRSAA funds in a variety of different ways in both the spring and upcoming fall term. Additional notifications will be sent to students who qualify for future funds.

Your Spring 2021 CRSSAA grant is: {{Grant Fund}}

For ease of acceptance an on-line form has been created. Please use the link below to indicate if you wish to accept these funds to be applied to your current balance. Funds will not be applied to student accounts until this form has been received. We will not apply funds without your acceptance.
