

PRE-MEDICAL TIMELINE 2022

4 Years Prior to Starting Medical School: *(Freshman Year if entering immediately from Carthage.)*

- Make an appointment with your pre-health career specialist in the Aspire Center to gather information on engaging in pre-health events.
 - Attend informational meetings for the pre-health program.
 - Research career information to identify what being a doctor means and the pathway steps towards that career.
 - Become involved in the pre-health club.
 - Participate in the spring first-year pre-health career exploratory seminar.
 - Start to develop relationships with faculty, staff and mentors at Carthage.
 - Identify experiential learning opportunities including research, internships, volunteering or shadowing.
-

3 Years Prior to Starting Medical School: *(Sophomore Year if entering immediately from Carthage.)*

- Meet with your academic faculty advisor to make sure you are progressing through your majors and minors requirements.
 - Meet with the pre-health advising team to make sure you are progressing through your medical school prerequisite courses.
 - Reach out to the pre-health career specialist in The Aspire Center to gather information on potential application preparation opportunities.
 - Begin to investigate potential medical schools and identify the admission requirements/timelines.
 - Continue to identify and secure experiential learning opportunities including research, internships or volunteering.
 - Begin shadowing a variety of doctors.
 - Learn more about the MCAT and identify an action plan for studying/taking practice exams.
-

2 Years Prior to Starting Medical School: *(Junior Year if entering immediately from Carthage.)*

- Continue to meet with your academic faculty advisor, pre-health advising team and the pre-health career specialist to ensure that you are on track for both major/minor academic requirements and pre-medical requirements.
- Participate and complete the personal statement workshop in the fall semester.
- Stay involved in both the Carthage community and experiential learning opportunities.

- Register and take the MCAT in the spring semester.
 - Continue to shadow doctors from a wide variety of settings.
 - Participate and complete the interview workshop in the spring semester.
 - Gather all required letters of recommendation applicants for your application giving at least 2-3 months advance notice before requesting committee letters for writing.
 - Complete the committee letter application.
 - Double check dates and deadlines for application materials to your selected medical school.
 - AMCAS will open in the early summer and all materials should be submitted by the end of June.
-

1 Year Prior to Starting Medical School: (Senior Year if entering immediately from Carthage.)

- Continue to prepare for potential interviews.
- Monitor AMCAS for any supplemental materials or admissions next steps.
- Continue to meet with your academic faculty advisor to sure that you are on track for both major/minor academic requirements.
- Contact your career specialist and the pre-health advising team with any updates on your admission status for medical school.
