

## PRE-PHYSICIAN ASSOCIATE TIMELINE 2022

### ***4 Years Prior to Starting PA School: (Freshman Year if entering immediately from Carthage.)***

- Make an appointment with your pre-health career specialist in the Aspire Center to gather information on engaging in pre-health events.
  - Attend informational meetings for the pre-health program.
  - Research career information to identify what being a physician associate means and the pathway steps towards that career.
  - Become involved in the pre-health club.
  - Participate in the spring first-year pre-health career exploratory seminar.
  - Start to develop relationships with faculty, staff and mentors at Carthage.
  - Identify experiential learning opportunities including research, internships, volunteering or shadowing and track in your MAP (my aspire plan).
- 

### ***3 Years Prior to Starting PA School: (Sophomore Year if entering immediately from Carthage.)***

- Meet with your academic faculty advisor to make sure you are progressing through your majors and minors requirements.
  - Meet with the pre-health advising team to make sure you are progressing through your physician associate prerequisite courses.
  - Reach out to the pre-health career specialist in The Aspire Center to gather information on potential application preparation opportunities.
  - Begin to investigate potential physician associate schools and identify the admission requirements/timelines.
  - Continue to identify and secure experiential learning opportunities including research, internships or volunteering and track in your MAP (my aspire plan).
  - Begin shadowing a variety of physician associates.
  - Learn more about the GRE and identify an action plan for studying/taking practice exams.
- 

### ***2 Years Prior to Starting PA School: (Junior Year if entering immediately from Carthage.)***

- Continue to meet with your academic faculty advisor, pre-health advising team and the pre-health career specialist to ensure that you are on track for both major/minor academic requirements and pre-physician associate requirements.
- Stay involved in both the Carthage community and experiential learning opportunities.

- Register and take the Graduate Records Exam (GRE).
  - Continue to shadow physician associates from a wide variety of settings.
  - Participate and complete the personal statement workshop in the fall semester.
  - Gather all required letters of recommendations for your application giving at least 2-3 months advance notice for writing.
  - Double check dates and deadlines for application materials to your selected PA school.
  - CASPA will open in early summer and all materials should be submitted as quickly as possible, but no later than August.
- 

***1 Year Prior to Starting PA School: (Senior Year if entering immediately from Carthage.)***

- Participate and complete the interview workshop in the fall semester.
- Monitor CASPA for any supplemental materials or admissions next steps.
- Continue to meet with your academic faculty advisor to sure that you are on track for both major/minor academic requirements.
- Contact your career specialist and the pre-health advising team with any updates on your admission status for PA school.
